Respite Services

2009

Respite Services Outcome Report 2009

In 2009, all Respite Services were provided in the each individual's home and in their communities. Comprehensive Systems, Inc. found that we were able to meet the needs of the families 100% of the time. The satisfaction with the services and with the overall response time was 100%.

With regard to service access, the average number of days from pre-admission to admission was 20 days. This is 16 days less than that of the previous year.
