Residential Services Community Housing

Cooking Skills

Residential Care Facility for Individuals with Intellectual Disabilities (RCF/IID) provides a structured environment for adults, who require minimal support and supervision in completing activities of daily living. Nursing and other professional services are provided based on the individual needs of the consumer. SCL is a service component for individuals living in our RCF/IID programs. This service is provided 24-hours a day, 7 days a week.

Residential Services Supported Living

Supported Community Living (SCL) and Home Based Habilitation services are provided according to the individualized consumer needs as identified in the Individual Program Plan. The basic components of the services include, but are not limited to, personal and home skills training, advocacy training and community integration skills. These services are available from one hour a week up to 24-hours a day, 7 days a week.
